

HELP ME GIVE HOPE TO GRIEVING CHILDREN

HOW TO PLAY:

- Enter your name and the event you are taking part in overleaf.
- Ask your friends to pay a small donation to take a guess at your finish time – £2.00 per guess would raise £140!
- Friends then write their name and guess in one of the squares on the grid.
- After your event, the sponsor whose guess is closest to your actual finish time wins a prize.
- The prize could be a percentage of the donations, a prize donated from a local business or something you've purchased yourself. Remember to be upfront about the prize from the start!
- Send the donations to Winston's Wish and then add the amount raised to your fundraising total.

HOW YOUR MONEY HELPS:

Today, 100 children will be bereaved of a parent. Grief can destroy a child's future, but thanks to the help of Winston's Wish, they can face the future with confidence and hope.

EVERY PENNY COUNTS - HERE'S HOW YOUR DONATION COULD MAKE A REAL DIFFERENCE:

£5

could provide our specialist books to four children, helping them to explore their grief with someone close to them.

£17

could put a memory box in the hands of two children so they can keep treasured items, helping them to remember their loved one in a way that is personal to them.

£65

could fund our Freephone Helpline for a day allowing us to answer calls for help from families and professionals and allowing the children they care for to get the support they need.

£140

could cover the cost of operating our website for a week, providing vital information to families and professionals and Help2MakeSense, a support forum for bereaved young people.
